

PlaceSets - Privacy Policy

Introduction

PlaceSets ("Company", "we", "us", or "our") operates the website at **getplacesets.com** and any related services, apps, and content (collectively, the "Service"). This Privacy Policy explains what Personal Data we collect, how we use it, and the rights available to you.

What we collect

- **Account & profile:** email address; password (hashed); optional username/handle; optional blockchain wallet address if you connect one.
- **Payments:** We receive transaction identifiers and status from our payment providers to confirm completion. **We do not collect or store full cardholder name, card number, or CVC.**
- **Technical & usage:** device, browser, IP-derived general location, pages/events within the Service.
- **Communications:** your messages to support and your marketing preferences.
- **Third-party sources:** if you link external accounts (e.g., Discord/Telegram), we may receive identifiers you permit; we may reference publicly available data and, where relevant, public blockchain activity.

Why we use your data (purposes & legal bases)

- Provide and improve the Service; personalize content (legitimate interests / contract).
- Process payments and manage subscriptions (contract).
- Communicate service notices and respond to support (contract / legitimate interests).
- Marketing with your consent and opt-out options (consent / legitimate interests, as applicable).
- Security, fraud prevention, and enforcing terms (legitimate interests / legal obligations).

Cookies & similar tech

We use essential cookies for sign-in and security, and analytics cookies to understand usage. You can control non-essential cookies via your browser or in-product controls where offered.

Retention

We keep Personal Data only as long as necessary for the purposes above. Transaction identifiers are retained for accounting and fraud prevention for as long as required by law. Aggregated or anonymized data may be kept longer for analytics.

Sharing

We share Personal Data with service providers who process data on our behalf (e.g., cloud hosting, analytics, payment processors) under contractual safeguards. We may disclose information to comply with law or to protect rights, property, or safety.

International transfers

Where data is transferred outside your country, we use appropriate safeguards (e.g., standard contractual clauses) as required by applicable law.

Security

We use technical and organizational measures to protect Personal Data. No system is 100% secure; please use a unique, strong password and keep it confidential.

Your rights

Depending on your location, you may have the right to access, correct, delete, restrict or object to processing, port your data, and withdraw consent. You may also have the right to lodge a complaint with your local data-protection authority.

Children

Our Service is not directed to children under the age required by local law for online consent. We do not knowingly collect Personal Data from such children.
